

# Construction Notice

The Village of Western Springs will be reconstructing the East Train Platforms, between Wolf Road and Lawn Avenue beginning June 1, 2017.

During construction, the platforms will be inaccessible and riders must load and unload from the train west of Lawn Avenue. Please listen to Metra conductors and announcements for on and off loading procedures.

Parking stalls on Hillgrove Avenue and Burlington Avenue adjacent to the platforms may be inaccessible during portions of the construction.

**Dates:** June 1, 2017 through September 31, 2017

**Location:** North Platform - Wolf Road to Lawn Avenue  
South Platform - Wolf Road to Lawn Avenue

**Work Hours:** 7:30 AM to 5:00 PM, weekdays  
Weekend work is possible

**Work Activity:** Reconstruction of the train platforms including removal and reconfiguration of parking adjacent to the platforms.

**Local Impacts:** Sidewalk and parking closures adjacent to the railroad tracks  
Construction noise and train horns during construction hours  
Restricted pedestrian access near the train platform
