

East Train Platform Construction

Construction of the East Train Platforms is scheduled to begin in July and parking on the south side of Hillgrove Avenue and the North Side of Burlington Avenue between Wolf Road and Lawn Avenue will be unavailable during the construction process.

On street parking restrictions will be temporarily eased during the construction period for employee parking in the adjacent Old Town subdivision. Employees may park in the below designated locations only, and must display their blue employee parking tag in their windshield.

Employees must park responsibly and may not block any driveways or inhibit any vehicle traffic. Anyone not adhering to these guidelines may be ticketed or towed at the vehicle owner's expense.
