our community in the event of a disaster**

We provide **ASSISTANCE** to our community:

- ◆ Neighbor well-being checks
- ◆ Mass disaster drill assistance

- ◆ Hydrant tagging
- ◆ Crowd control (Stanley Cup & World Series Events)

We provide **TRAINING** and **EDUCATION** to our volunteers:

- ◆ Making "To-Go" kits
- ◆ Disaster preparedness
- ◆ Cardiopulmonary Resuscitation

The citizen reserve corps/medical reserve corps helps with everything from flooding assistance to wide-spread emergencies like power outages, train derailments, or even mass pharmaceutical dispensing for a serious biological threat.

We are seeking members of our community with *varied* skills and interests

Commitment is minimal. Impact is BIG.
