WESTERN SPRINGS

Interested in a Ribbon Cutting Ceremony?

Let us help you celebrate with the
Western Springs community!

**Village President Alice Gallagher welcomes
Spring Orthodontics**

A ribbon cutting is a great way to kick off the opening, renaming, relocating or remodeling of your business:

- Use this opportunity to generate awareness and excitement for your business. Promote your business through Tower Topics, social media and local newspapers.
- Distribute promotional products to the public.
- Contact the Village at least 15 days in advance to schedule your ceremony. Most take place between 5:30 and 6:30 pm on a weekday, but other arrangements are also acceptable, i.e. photo opportunity, open house to the public or exclusive to WSBA members.

For more details or to schedule your ribbon cutting contact Martin Scott, Director of Community Development.
