James John

The Springdale Drainage Study Open House, originally scheduled for March 31st, has been cancelled until further notice. The Village of Western Springs is following the Center for Disease Control (CDC) COVID-19 guidelines and all non-essential public meetings are being rescheduled at this time. The re-scheduled meeting date will be posted on the project web page (www.wsprings.com/springdaledrainage) as well as in a future resident letter.

The resident survey will continue to remain active until further notice. Please visit the link below and complete the brief survey if you have not already done so.
