

5/1/2020

Dear Resident,

The following sections of road are scheduled for asphalt resurfacing in 2020:

- 40th Street, Gilbert to Ellington
- 40th Street, Johnson to Franklin
- Willow Street, Hampton to Western

The start date for construction has not yet been determined but construction will occur this Summer. Information on the start date and weekly construction updates can be found on the Village website at www.wsprings.com/roads as it becomes available. There you can view any updates on the project as well as follow the directions to sign up for e-mail and text message notifications using the “Notify Me” feature.

This project includes the grinding and resurfacing of the current pavement, spot replacement and readjustment of manholes and drainage structures, minor sidewalk improvements, and minimal curb and gutter replacement. Residents with curb replacement occurring adjacent to their driveway aprons will lose driveway access for 5-10 days while the contractor replaces the curb and repairs driveway aprons. On-street parking will be allowed on adjacent side streets if you lose access to your driveway. Loss of driveway access will be communicated by Village staff via a construction update and by the contractor via a physical notice at least 48 hours ahead of time.

Below is a list of the addresses expected to lose access to their driveway. Please understand that this list is subject to change. Additionally, addresses not on this list can expect delays in entering and exiting your driveways during construction. Please be mindful when driving through the construction areas both during and outside of construction hours.
