Re: Central Avenue Roadway and Sewer Improvements
Public Information Meeting
December 5, 2019

Dear Resident,

The purpose of this letter is to notify you that the Village of Western Springs is presently in the preliminary engineering phase of a study for Central Avenue Roadway and Sewer Improvements. The project includes storm sewer separation construction on Central Avenue from 47th Street to Burlington Avenue and Elm Street from Central Avenue to Lawn Avenue. The proposed storm sewer will outlet at 47th Street and Flagg Creek. Please see the attached Project Location Map. Central Avenue is proposed to be reconstructed with on-street parking on both sides. Elm Street improvements include pavement patching along the proposed storm sewer. This project is tentatively scheduled for construction in Spring of 2021.

The Village of Western Springs is conducting a Public Informational Meeting on Thursday, December 5 from 6:30 pm to 8:00 pm at The Village of Western Springs, Village Hall All Purpose Room, 740 Hillgrove Avenue, Western Springs, IL 60558. The Village will discuss the proposed Central Avenue Roadway and Sewer Improvements.

The meeting will be conducted on an informal basis with project displays and other information available for viewing. Village of Western Springs representatives will be available to explain the project, answer individual questions and record comments offered by those in attendance.

This meeting will also serve to involve and obtain the views of the public about potential project impacts to Western Springs Park District Property, Spring Rock Park.

VILLAGE *of* WESTERN SPRINGS

740 HILLGROVE AVENUE | WESTERN SPRINGS, IL 60558-1478 | www.wsprings.com

It is the practice of the Village of Western Springs to provide all interested persons an opportunity to become acquainted with Village projects and to express their view at those stages of a proposed project when the flexibility to respond to those views still exists. Our current practice is to contact each adjacent property owner directly to inform them of the project.

No right-of-way is proposed to be acquired from residential properties. Upon completion of our study, a report will be prepared describing the proposed work and submitted to the Illinois Department of Transportation for approval. After approval is received, we will proceed with the plan preparation phase.

If after reviewing this letter, you have any questions, please contact me at (708) 246-1800, ext. 276 or MSupert@wsprings.com.
