YARD WASTE/COMPOST/ORGANICS

Annually between April 1 and November 30, LRS is pleased to collect yard waste materials curbside on your normal service day. Beyond this, we are very excited to now offer an even more comprehensive food waste program, with collection done along with your general yard waste. Residents can participate with either blue service stickers placed on paper bags, personal cans or bundled piles - no longer than 4 feet in length and 18 inches in diameter (all 50 lbs or less per bag, can or pile) - or by enrolling in our subscription program.

For more information or to sign up for the subscription program which includes a 65 or 95 gallon yard waste / food waste specific cart, please visit:
